GÉANT International Peers	Global R&E community HEI and Research community	All the NRENs across the globe (about 60 countries) and their users	CLOUD CATALOGUE

- **eduCONF service (since 2010)**

- **60 organisations from 18 countries** are in the VC directory <https://educonf-directory.geant.net/map.php>
 - No significant growth in the last period
 - Probably reached its plateau of productivity, handed over to GÉANT Operations

- **NRENum.net service (since 2006)**

- **200k phone numbers (ENUMs) under 44 county codes** (globally) are in the service <https://nrenum.net/members/>
 - 7 new countries joined in 2015 (second largest growth) still growing and becoming more secure and reliable
 - Actively supported and promoted by the GRTC Working Group of the CEO Forum

- **WebRTC Roadmap (to be executed until 2020)**

- **Several new service components** have been piloted: Federated STUN/TURN, Media API, Native WebRTC, WebTUT, Directory sharing with eduCONF
 - Demoed at the Symposium, Interenet2 and TNC'16

- **eduOER service (launched in 2016)**

- **57k videos (OERs) from 16 repositories from 7 countries** are in the service <http://services.oer.geant.org/monitoring>
 - Since the closure of the pilot phase 9 new repositories joined and 35k new videos linked

Hype curve of services
